Re: Extension of Filing Deadline for 2021 Annual Operations Report

Dear Ms. Owen:

On March 30, 2022, the Commission granted Mid-Alaska Pipeline, LLC (MID-ALASKA) an extension to delay submission of the 2021 annual report for certificate number 305, until May 31, 2022.¹ In the request, MID-ALASKA indicated that it needs additional time to gather the data necessary to complete the annual report due to changing staff levels and economic conditions.

On May 31, 2022, we received a request that MID-ALASKA be allowed to delay submission of the annual report from May 31, 2022, to June 17, 2022. MID-ALASKA indicated the delay is due to recent staffing changes and employees being out of the office for extended time. We reviewed the request and determined that an extension should be granted; therefore, we grant MID-ALASKA's request to extend the annual report filing deadline until June 17, 2022.

MID-ALASKA's attention to the complete preparation of the annual report is appreciated. If MID-ALASKA has any questions regarding the contents of this Letter Order, please contact John White, Utility Financial Analyst, at (907) 263-2122 or John.White1@alaska.gov.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
